FASTSIGNS®

Architectural

FASTSIGNS work with you to take any concept to completion.

We have:

- Full installation service by sign professionals.
- Technical experts who work with you to ensure all cost effective/fit for purpose solutions are presented.
- State of the art software and using our PC's and Macs we can work with your files easily and efficiently.
- Dedicated personnel support you and your project throughout its life with a presence at project meetings if required.

Construction

FASTSIGNS understand that signage is generally not your priority when there are large projects to manage. We make it easy for you by offering:

- Hoardings, banners, scaffolding and site supplies - your logo **FREE** of charge
- One stop shop - phone/email ordering - fast delivery/no hassle!
- Bespoke signage, dimensional letters, directional signs, internals, glass manifestations
- Supply and install service, fully insured CSCS card holders

CLIENT TESTIMONIAL

“We commissioned FASTSIGNS to fabricate and install attractive high-level signage at key points on our iconic waterfront Docklands campus that would identify UEL and be clearly visible from road, dock, air and DLR approaches. FASTSIGNS completed this project efficiently, on time and to budget.”

Ray Gregory UEL Facilities Director

CLIENT TESTIMONIAL

“Thank you for your prompt service with the signs today, they arrived at 11.00 am on the dot as promised which is a first for me as previous sign companies have let me down in the past.”

Alistair Murray London 2012 Senior Site Manager EDF Energy
