### More Ways to Raise Your Business Visibility

FASTSIGNS are the leading experts in visual communications, with over 25 years' experience in the field. We will work with you to come up with a plan, using the right mix of innovative graphic solutions and industry leading products to bring your projects to life.

Whether you are a retail operation looking to update your exterior signage or a restaurant needing to create an atmospheric new style, FASTSIGNS can help to reach your audience in eye catching and inspirational ways.

FASTSIGNS offer the latest in visual solutions. Independently and locally owned and operated, we work at the heart of some of the UK's most

progressive business communities. We understand the communications challenges of small and large businesses where strong branding and corporate identity can be the key to increasing your business visibility locally and nationally. From initial concept, through to design and installation, we can help you to ensure that your project runs smoothly, is delivered on time and to the highest of industry standards.

From inspiring wall and floor graphics to full digital wayfinding projects, FASTSIGNS can help you to bring your business communications to life.

## Project Solutions 2 35m4 5 6 7

Whatever your visual communications challenge, we pride ourselves on taking a consultative approach to ensuring that your solution suits your needs. We are constantly striving to provide you with a product range that's the most comprehensive around, of the highest quality and one step ahead of the competition. Not only do our experts work closely with you every step of the way to help you identify what you need, they take care of every single element, from concept to completion™

# Retail Signage

Stand out from the competition with impactful signs and graphics. We can help you to build your brand and enhance customer perception using simple, yet effective custom solutions.

Whether you are looking for temporary, seasonal window graphics or new exterior signage following a rebrand, your FASTSIGNS Visual Communications Expert will make sure your project is carried out with minimum fuss and maximum impact.

#### **Exterior Signage**

With our cutting-edge printing technology, we can wrap walls, floors, cars, even whole buildings with bespoke graphics and images.

Your exterior signage is your chance to make the best first impression. Whether it's illuminated, dimensional or understated elegance, make it count!

Seasonal windows graphics help draw attention to your premises and entice new customers. Temporary window graphics and displays can enhance any promotion or event.

Get your brand out there. Eye catching signage can not only invoke interest, but can also thrust your brand onto the high street.

# Shop Displays

From seasonal window graphics to interior directional signage. FASTSIGNS will be with you every step of the way, from the graphic design to the installation and after care.

Let us help you to make an impact on your high street, business park or shopping centre with eye catching window graphics, A-Boards, banners and POS displays.

#### Windows and Point of Sale

Create a winter wonderland or an inspiring summer scene with exciting interior window graphics and displays; we will even create the design to your specifications.

Full window graphics are a sure way to get your customers attention. They can also double up as a privacy screen to keep customers in suspense of a new opening.

Point of Sale displays can help you to promote key products and encourage impulse purchases. Whether counter top, or free standing, POS displays are affordable and effective.

Draw attention to displays and offers with eye catching backlit posters and dramatic light boxes. An inexpensive solution that can be refreshed and changed as often as you need.

Informative directional signage will give your customers an excellent retail experience. Whether categorising aisles or labelling clothing sections, effective directional signage will always give you the upper hand.

Want to promote an offer or sale? We can provide you with banners and interchangeable A-boards and posters to help publicise your offers.

## Hospitality

Whether you own or manage a bar, restaurant, hotel or traditional pub, your branding sets out the experience your customers will come to expect. We can help you enhance your identity from floor to ceiling and from breakfast to supper with a range of products specifically designed for you.

From the moment you start thinking about your project, we can help you with practical considerations such as planning permission, surveying and material choices for longevity. We know what works and what doesn't when it comes to signs and graphics!

#### Call the Creative Experts

Our Visual Communications Specialists work on everything from large interior design projects with bespoke wallpaper, illuminated signage and wall graphics, through to something simple like a new seasonal menu and leaflets. From consultation to completion<sup>™</sup>, design to delivery, your local FASTSIGNS centre can help you come up with ideas to help you make an impact.

Go Retro! LED signage is a low energy, high impact alternative to neon and can even be used to illuminate large wall panels and pictures.

Get your name out there! We can brand pretty much anything whilst keeping your identity consistent - even across multiple locations.

We supply a variety of printed products from menus and wine lists to brochures and even wallpaper. Slate menus, gazebos for outside catering, you name it, we'll print it.

#### **Restaurants and Bars**

Let FASTSIGNS<sup>®</sup> show you how an effective sign and graphics programme can help your marketing efforts and reflect the style that makes your restaurant unique – inside and out.

From banners and menu boards to elegant architectural site signs and window and floor graphics, we can help you communicate with diners and build awareness. We can turn your catering and delivery vehicles into billboards on wheels. Research studies show that displaying your message on your vehicle generates over 600 visual impressions for every mile driven. Put your visual communication needs in our capable hands.
