Project Solutions

No matter what your visual communications challenge, we will work closely with you to ensure that our solution is customised to suit your needs. We are constantly striving to provide a product range that is the most comprehensive around, of the highest quality and one step ahead of the competition.

Our signage professionals use only the highest quality materials coupled with the most high tech equipment, to provide you with top shelf, long lasting solutions.

Not only do our experts work closely with you every step of the way to ensure that your needs are met, they also take care of every single element, from concept to completion™. So you can relax knowing that you are in safe hands.

Create a Warm Welcome

Create a first impression to be proud of. Our experts will work with you to design bespoke external signage that will make visitors, staff and students alike feel empowered and welcomed into your establishment.

We can provide a fully comprehensive range of products to make your exterior signage stand out above the rest. From bespoke illuminated building and monolith signs to outdoor digital displays and directional signage, let us know how we can help.

Exterior Signage

We can incorporate your logo and colours into your exterior signage to ensure that your school has a uniform appearance.

From small banners to large building signage, we can design and create bespoke exterior signage solutions to suit your needs.

Vehicle graphics on your transportation can emulate your schools image and advertise your specialised areas. They can also be used to identify your vehicles for students transportation needs.

Free standing monolith signs are a profound way to enhance your establishment's visibility; these solid structures are eye catching and hard wearing.

Simon Beck

Lister Community School

“ The whole process has been smooth from start to finish. We've had great communication at every stage from our Account Handler and every query or issue has been dealt with quickly and efficiently. The school looks so much better as a result of the work completed by FASTSIGNS, and we will definitely be giving them a call for further work in the future! ”

Create Inspiring Learning Spaces

Your students will never have a dull day when surrounded by colourful, stimulating graphics. Make your classrooms and hallways motivating environments to be enjoyed by students and staff alike.

FASTSIGNS can help you to spur on the imaginations of your students by creative inspiring graphics. Our industry leading experts use the highest quality materials to produce thought invoking wall, window, ceiling and floor graphics. We even create interactive graphics, such as magnetic and mechanical, to accommodate different learning styles.

Wall and Window Graphics

It is not just students that can benefit from inspiring graphics. Enhance any staff areas with inexpensive, effective graphics from FASTSIGNS.

Educational window graphics can enhance any students' learning. They are easily removable so can be changed to suit your needs term after term.

Encourage your student's creative side with interactive signage. From detachable magnetic wall graphics to adjustable fixed signage and much more.

Large scale graphics can enhance any educational environment. We can even turn your student's artwork into bespoke wall or window graphics.

From floor to ceiling, we can provide graphics that will make you proud of any learning space.

Inspire your students with eye catching, uplifting wall graphics. Create a learning environment that they can enjoy.

Fully Comprehensive Solutions

From floor graphics to freestanding post mounted signs, FASTSIGNS provide a full range of signage solutions for your establishments directional signage needs.

Give your school, college, university or academy that professional edge with highly visible informative signage. From quirky, eye catching wall and floor graphics to freestanding monoliths and mounted plaques, we have a solution for your needs.

Directional and Informative Signage

Notify and advise with directional and informative signage from FASTSIGNS. We will work with you every step of the way from design through to installation and with over 25 years of experience in the signage industry, you know that you are in very capable hands.

Our visual communications experts use the right mix of innovative directional sign and graphic solutions to help your students, staff and visitors reach their destination.

Help eliminate confusion, reduce stress and make your locations more visible with our interior and exterior wayfinding solutions.

Identify locations with monument signs and dimensional letters. Guide people with building and area directories and maps, and interact using digital signs and more.

Post and Panel Signs

Post and Panel signs are one of our most popular products in the educational sector. These timeless classics are iconic of all school exteriors and are a great way to enhance your visibility.

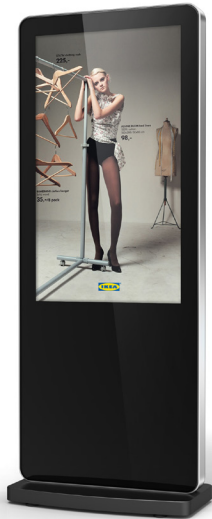

These hard wearing and eye catching signs are made from the highest quality materials and expertly installed to comply with health and safety regulations.

Google for Work Partner

As a Google for Work Partner, FASTSIGNS® offers digital signage solutions powered by Google Chrome technology. The Chromebox and Chromebit media player devices powered by Google's Chrome operating system, are reliable, secure and easy to manage platforms to run digital signage. Paired with the right web-based content management system, content can be managed easily and remotely.

Digital signage powered by Chrome technology helps you communicate to your employees, students and visitors with the reliability, simplicity and flexibility you need. From displaying ads and promoting key messages to highlighting featured items on a menu board, digital signage solutions from FASTSIGNS® help organisations of all sizes connect with the right audience at the right time.
