THE GOOD

THE BAD

& THE UGLY

Research has revealed that 80% of people in the UK feel safer in venues with clear, professional COVID-19 signage.

The study by digital printing solutions firm Roland DG reveals that 78% are more likely to shop in stores with clear instructions on social distancing measures.

The findings also indicate that brands risk reputational damage from inadequate COVID-19 signage, with UK shoppers saying the number one emotional impact of poor signage is the feeling businesses are not taking their safety seriously (40%).

The stores with the most unclear signage are clothes shops (21%), followed by supermarkets / grocery stores (19%), and restaurants and bars (16%)

General Information & Guidance

Guidance, education and information are key to ensuring the safety of all. The next two pages contain a range of informative posters and signs.

First Aid Coronavirus

Raise awareness and provide simple measures to reduce the spread of the Coronavirus

With news of the Coronavirus (COVID-19) continuing to make headlines around the world, the need to tackle the spread of the deadly virus is greater than ever. Some groups of people are more susceptible to the complications of Coronavirus than others, especially older people (70+), people with certain medical conditions (asthma, diabetes, underlying poor health or weakened immune system) and pregnant women.

Signs / Symptoms	How it Spreads	Prevention	Taking Action	Individual	Environmental	Organisational
<p>Common symptoms: Fever (high temperature) - usually above 38°C (100.4°F), new, persistent cough, shortness of breath, loss of taste or smell, sore throat, fatigue, muscle aches, headache, diarrhoea, nausea, vomiting, skin rashes.</p> <p>Other symptoms include: Loss of consciousness, confusion, dizziness, loss of appetite, loss of weight, loss of hair, loss of nails, loss of teeth, loss of vision, loss of hearing, loss of smell, loss of taste, loss of touch, loss of feeling, loss of movement, loss of speech, loss of thought, loss of memory, loss of personality, loss of identity, loss of self.</p> <p>The incubation period: It is estimated to be between 2-14 days.</p> <p>It can be spread by: Direct contact with an infected person, droplets from an infected person, contact with contaminated surfaces, contact with contaminated objects, contact with contaminated food and drink, contact with contaminated water, contact with contaminated air, contact with contaminated soil, contact with contaminated animals, contact with contaminated plants, contact with contaminated insects, contact with contaminated animals, contact with contaminated plants, contact with contaminated insects.</p>	<p>The virus is able to survive on hard surfaces (steel, glass, plastic) for up to 90 minutes, on cardboard for up to 72 hours, and on fabric for up to 72 hours.</p> <p>It is spread by direct contact with an infected person, droplets from an infected person, contact with contaminated surfaces, contact with contaminated objects, contact with contaminated food and drink, contact with contaminated water, contact with contaminated air, contact with contaminated soil, contact with contaminated animals, contact with contaminated plants, contact with contaminated insects.</p>	<p>Wash your hands regularly with soap and water for at least 20 seconds.</p> <p>Avoid touching your face with your hands.</p> <p>Use a tissue to cough or sneeze into.</p> <p>Wash your hands after contact with your face.</p> <p>Use a tissue to cough or sneeze into.</p> <p>Wash your hands after contact with your face.</p> <p>Use a tissue to cough or sneeze into.</p> <p>Wash your hands after contact with your face.</p>	<p>Individuals should avoid contact with anyone who has symptoms of COVID-19.</p> <p>Individuals should avoid contact with anyone who has symptoms of COVID-19.</p> <p>Individuals should avoid contact with anyone who has symptoms of COVID-19.</p> <p>Individuals should avoid contact with anyone who has symptoms of COVID-19.</p>	<p>Individuals should avoid contact with anyone who has symptoms of COVID-19.</p> <p>Individuals should avoid contact with anyone who has symptoms of COVID-19.</p> <p>Individuals should avoid contact with anyone who has symptoms of COVID-19.</p> <p>Individuals should avoid contact with anyone who has symptoms of COVID-19.</p>	<p>Individuals should avoid contact with anyone who has symptoms of COVID-19.</p> <p>Individuals should avoid contact with anyone who has symptoms of COVID-19.</p> <p>Individuals should avoid contact with anyone who has symptoms of COVID-19.</p> <p>Individuals should avoid contact with anyone who has symptoms of COVID-19.</p>	<p>Individuals should avoid contact with anyone who has symptoms of COVID-19.</p> <p>Individuals should avoid contact with anyone who has symptoms of COVID-19.</p> <p>Individuals should avoid contact with anyone who has symptoms of COVID-19.</p> <p>Individuals should avoid contact with anyone who has symptoms of COVID-19.</p>

Coronavirus Help stop the Spread

Follow these six simple steps to protect yourself and those around you from the Coronavirus

What YOU need to do

- 1. Wash your hands regularly**
Wash hands for at least 20 seconds with soap and hot water or use a sanitising gel. Do this after using the toilet, touching communal items such as the kettle and before and after eating.
- 2. Don't touch your face**
Avoid touching your eyes, nose or mouth with your hands. If you need to touch your face use a tissue. Bin the tissue after contact with your eyes, nose or mouth. Wash your hands after contact with your face.
- 3. Use a tissue**
Always try to cough or sneeze into a clean tissue then bin it immediately.
- 4. Don't spray**
If you feel the need to cough or sneeze and have no tissue to hand. Use the crease of your elbow to stop bacteria spreading through the air.
- 5. Regularly refresh**
Do not rely solely on soap and water or hand sanitizer. Use antibacterial surface wipes to clean high traffic areas such as kitchen counters and door handles.
- 6. Isolate**
Do not put you or others around you at risk. If you are experiencing symptoms of Coronavirus, do not go to work, do not go out, remain indoors and contact NHS 24 by calling 111 or online at 111.nhs.uk.

Signs and symptoms of Coronavirus:
Headache, dry cough, fever / muscle pain and difficulty breathing.

STOP CORONAVIRUS INFORMATION

In response to the recent outbreak of the Coronavirus (COVID - 19) we ask all visitors to self-screen before entering the building, to help lessen the spread of the virus.

Do not enter if:

1. You have signs of a fever or a high temperature (above 38°C)
2. You have a persistent cough or respiratory problems
3. You have had contact with any possible source of the virus

If you have met any of the above criteria please return home and contact NHS 111 for advice

If you are safe to enter please do so and follow the guidance below:

1. Wash your hands regularly and thoroughly with soap and water or alcohol based hand sanitizer
2. Avoid touching your face with your hands
3. If you need to cough or sneeze, use a tissue and bin after use
4. Where possible avoid contact with vulnerable individuals such as the elderly and those with underlying health conditions

Synthetic Paper

First Aid Wash your Hands

When to wash your hands:

1. Before eating
2. After eating
3. Before drinking
4. After drinking
5. After using the toilet
6. After touching your face
7. After touching your hands
8. After touching your clothes
9. After touching your shoes
10. After touching your feet

Wash your hands with warm water and apply with bactericidal hand cleaning gel or antibacterial hand wash. Then follow the instructions below. (Directions on bottles according to Rn 1240)

1. Rub your hands together with the palm of each hand over the back of the other.
2. Rub the palm of each hand against the back of the other hand.
3. Rub the back of each hand against the palm of the other hand.
4. Rub the fingers of each hand against the palm of the other hand.
5. Rub the thumb of each hand against the palm of the other hand.
6. Rub the fingers of each hand against the back of the other hand.

These areas of the hand are often overlooked, ensure you have washed:

- Between fingers
- Under nails

Standard and Custom Specials

We have a very comprehensive safety sign range, but we do appreciate that every workplace has different needs. That's why we offer "Standard" and "Custom" specials.

Standard Specials enables you to choose either a prohibition, warning or mandatory safety sign. All you have to do is send us the code you require, the symbol and text you wish to use and we'll create your required safety sign.

Custom Specials enables you to create something completely unique in full colour. This option enables you to select the appropriate code and we'll print what you require on our standard range of materials.

If the material / size you require is something out of the ordinary, don't worry send us the details and we'll send you a quote.

Mental Health & Coronavirus

COVID-19 has led to a dramatic impact on the mental health and wellbeing of many people. Bereavement, isolation, loss of income and fear are triggering mental health conditions or exacerbating existing ones.

Many people may be facing increased levels of alcohol and drug use, insomnia, and anxiety. Encouraging colleagues to talk about their worries, concerns and feelings can have a positive impact and help alleviate some of those issues. Our range of mental health signs are designed to help change the way we think and act about mental health.

Bespoke Roller Banners

Roller Banners are the ideal choice for creating a free standing display quickly and easily. The graphic is protected inside the roller cartridge when the stand is not in use and a carry case is provided for easy transportation.

Create your own promotional Roller Banner for use at exhibitions, trade shops or for in-store point of sale messages. Simply supply high resolution artwork when ordering or call us for assistance.

- Lightweight aluminium base and top bar
- Lightblock PVC banner material prevents light shining through
- Roller system with fast assembly and safe storage
- Retractable tensioning system
- Complete with carry case
- Banner size: 2000 x 800mm

Hints & Tips

Include your company logo at the top of banners to create brand recognition.

Place your key message at eye level and keep sentences short and punchy.

Use high resolution images and avoid placing text over them

Don't be afraid of leaving space

If in doubt, ask us for assistance

Display these signs on chairs or desks to prevent unwanted use and to maintain social distancing

Self Standing Signs

These double sided, free standing signs are ideal to attract staff and customers' attention. Yellow warning signs are recognised throughout the UK to highlight potential danger. They are much more likely to be adhered to by customers and staff. Self printed safety messages which are stuck to doors, windows etc are unprofessional, messy and unlikely to be taken seriously. These self standing signs help remind the public of their responsibilities in terms of social distancing, considered vital to ensuring the safety of others.

External Floor Graphics

We can now supply floor graphics on a high quality external grade material for application to textured outdoor ground surfaces such as asphalt, concrete, and pavements. This material has a patented aluminium foil base and glue that provides exceptional adherence to rough roads and pavements. The non-slip surface is approved for outdoor use and is highly durable.

If you require external floor graphics please contact us for a quote.

Directional Markers

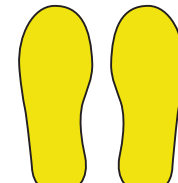

These bright yellow (other colours available) floor markers are manufactured with an anti-slip surface overlaminated which is capable of withstanding heavy footfall in high traffic areas. Their aggressive adhesive backing enables application to many clean surfaces such as tiles, linoleum, laminate, sealed concrete and even carpet. Available in different sizes and shapes.

Self Standing Signs

These double sided, free standing safety signs are ideal to attract staff and customers' attention. Yellow warning signs are recognised throughout the United Kingdom to highlight potential danger. They are much more likely to be adhered to by customers and staff.

Self printed messages which are stuck to doors, windows etc are unprofessional, messy and unlikely to be taken seriously.
